Palos Verdes Peninsula High School Turf Field Project

Help Us Improve Our Athletic Facilities to Equal Our Bay League Rivals!

You can help PVPHS replace our worn grass athletic field with a new state-of-the-art artificial turf field serving football/soccer/lacrosse and other athletes throughout our community!

Project: replace our worn out, obsolete athletic field with an all new synthetic turf field.

Status: This important project has received support at the highest levels from PVPHS Administration and the PVP Unified School District. We have received approval to raise funds towards this worthy goal. Estimated cost is between \$1.2 million and \$1.4 million.

Benefits: The entire community will benefit from this project. PVPUSD is rated in the top 100 public U.S. high schools, and modern facilities are critical to retaining this distinction. We all benefit from the high quality of our schools – past, present and future high school families and those of us fortunate to live in this wonderful area should support this project.

How to Help:

- Mail a tax deductible donation payable to the PVPHS Turf Field Fund and mail to PVPHS Turf Field Campaign, PO Box 3462, Palos Verdes Peninsula, CA 90274. The Federal tax ID number is 95-4331744.
- Buy a tile on the donor wall. A donation of \$1,000 or more gets your name on the donor wall and helps get our project done. This will benefit athletes for decades – be a part of it! Donor wall tiles available in denominations of \$1,000, \$5,000 and \$10,000 tiles

This project will transform our facilities and impact the lives of thousands of athletes and residents. We need your help to make it happen!
